## How to get to Schneebergstr. 17 in St.Gallen:

### by train and bus (green line)

From railway station take bus no. 2 direction "St.Georgen" (stops at platform next to the railway station). Leave at third stop "Berneggstrasse" and go up the flight of steps. Next street is Schneebergstrasse. Go to the right. The third house uphill is no. 17.

### by private car (orange line)

Take motorway exit "St.Gallen-Zentrum/Kreuzbleiche". Already in the feeder road tunnel take the lane for direction "Appenzell" and follow always these blue signs "Appenzell". After the fifth red light (if all are working) you will get to a trolleybus lane. The second turning to the left (after some 500m) is Schneebergstrasse. Follow the road for 800m. There uphill is house no. 17.
